## STEP 4: FINAL PRESENTATIONS

---

### **Crafting the Final Presentation**

Your team is almost to the finish line! Last up are the final presentations to the mock IOC panel. Your presentations will bring together all the information you have gathered and should include:

- Brief overview of your Candidate City.
- Goal of your Olympic Games and how your team is meeting it.
- Challenge of your Olympic Games and how your team is overcoming it.
- Top 3 items your Olympic Games will focus on.
- Marketing that your team created: logo, slogan, and mascot.
- Bonus point category: selected charity for the Games and why you chose it.
- Conclusion as to why you are the best Candidate City for the next Olympic Games.

The mock IOC panel will listen to all the Candidate City's final presentations and vote on what team will be awarded the next Olympic Games. Good luck!
